

Parata HD Stock™ Bulk Shelving

HIGH-DENSITY STORAGE

STORAGE FOR ALL YOUR BULK PACKAGE NEEDS

- Increases productivity and efficiency – less walking and searching for medications
- High-density storage creates space for additional work areas and professional services
- Bright, organized, and professional appearance
- Can move easily to accommodate pharmacy workflow changes
- Flat shelf height is easy to adjust
- Speed shelves release down to facilitate first-in, first-out stocking
- Excellent for storing boxes of unit-dose liquid cups, vials, injectables, etc.

CONFIGURATIONS

Can be divided to store approximately 20 SKUs/50 items

Can store 10 SKUs/40 items of your fast movers

Available in 1 or 2-bay configurations
