Parata IntelliCab™

Your will call process is critical to **the patient experience.** Eliminating the chaos of patients waiting in long lines and staff digging through piles of prescriptions can set your pharmacy apart and transform both the customer and staff experience.

BD   **Parata®**

Improve Your Workflow

Parata IntelliCab™ offers a faster, more accurate, and efficient workflow by using RFID technology to track medications as they move through the prescription filling process for maximum accuracy.

Highlighted Features:

- Reduced prescription retrieval time and return to stock steps.
- Right patient, right prescription every time with pick to light and sound technology.
- RFID-enabled cabinets & SmartBaskets that automate storage, retrieval and return to stock
